hi paula – i'm confirming our conference call on 5/25 at 10 am regarding the draft MN anti-deg rules. i am coordinating with our water program folks on the other two calls you requested, since different staff are involved in those other topics.

this wednesday it will be just dave pfeifer and me. should we plan to call you or would you prefer a call-in number?

congratulations on your grandchild to come – this sounds like a happy and exciting time.

barbara

Thank you, Barbara.

For the Minnesota NPDES petition issues, let's look at the week of May 31st. Other than awaiting a grandchild's birth, which we can't predict with any degree of precision, much of that week is at my desk writing. Early afternoons tend to be best for me.

This is probably a separate call, but I would also like to know what is happening with respect to PolyMet methyl mercury issues and who is working on the procedural implementation of recognizing downstream tribal CWA Section 401(a)(2) authority.

Best regards,
 Paula

hi paula – i'm working on scheduling the anti-deg call you requested with our standards folks. i hope to confirm the wednesday 5/25 timeslot by monday (i apologise – i'm out of the office tomorrow, friday).

regarding your request for a call regarding the minnesota petition/npdes issues, i will schedule that call as soon as i'm back in the office on monday. in the meantime if you could provide a few potential dates that would be helpful.

i apologise in the delay in confirming these calls. barbara
